the ground, plating in the water and lost his balance and fell in head foremost. Having missed the child a few minutes, the mother was hastening to a brook which runs near the house, when the firstborn child, Joseph, aged six years, went around the house and, finding Clarence in the watering kettle, quickly pulled him out and then called

The little fellow was apparently dead, but she telephoned at once for physicians, Dr. L. A. Russlow of Randolph arriving in about 15 minutes, Dr. O. V. Greene and several neighbors about the same time. The doctors worked two hours over the little body, but no signs of life appeared.

There are two older children and one ounger child. The father was returning from Randolph when the accident oc-

DISCUSSED SINGLE TAX.
